

Instead of photos of rebuilders; How about a look at our newly constructed warehouse. Lots more room for parts and they will be off on the shelf ready to go. We still buy cars everyday so check back soon for new arrivals. Or just give us a call-435-628-1649

Clockwise from top left:

1. Digging the foundation
2. Building has arrived
3. Concrete and retaining walls poured.
4. Building erection underway

From top:

1. Exterior view under dismantling awning.
2. Exterior under covered awning for future storage racks.
3. Interior view.

This is the mezzanine structure for indoor parts storage for the new warehouse. It's going up now. We will have thousands of parts pulled, cleaned, and ready to go to meet all of your new, used, and rebuilt parts needs.
